

SUPPORTING SDIEA THROUGH FUNDRAISING

About Us

SDIEA offers alternative education, youth support programs, work experience and structured workplace learning, mentoring, career and transition support.

More than just training or skills education, we provide support and services on a one to one basis. It is these wrap-around services that clients make a successful move from school to further studies or employment success.

For many of our clients, SDIEA may be the first step to living a successful, engaged life.

Formed through the vision of community members, who understood the need for our service, we have helped more than 1700 people achieve their goal of a steady job on the Southern Downs.

If you share our drive to create real change in your community, you can support our work by making a donation or volunteering with SDIEA.

Your support will help people in your community

As a locally managed and run not-for-profit organisation, all donations are used in your community to support those who need it.

Make a donation today!

Your investment will help more people access education and build careers.

Volunteer with us

At SDIEA, we love having volunteers and the incredible experience, skills, and enthusiasm they bring to our organisation.

Without the generosity of our volunteers we could not provide our range of programs or continue to expand the services we can offer across the Southern Downs Community. Become a mentor, or a fundraising advocacy partner today.

Give us a call on 07 4667 0420 or an email to contact@sdiea.org.au to see how you can make a big difference to your community.

Keen to fundraise?

Want to fundraise for us? Visit the website for some ideas, or contact us for a chat.

\$5? \$50? \$500?

Any amount you can give has a huge impact on the day to day operation of SDIEA and is tax deductible.

Jades' Story

I had been looking for a course that was fast paced and flexible for quite some time, before I finally found SDIEA. SDIEA were very helpful, and I had active staff members there if I ever needed help with the course material and I completed my certificate within 14 weeks.

I now work in my local town as a personal care worker for a great company, all thanks to my new skills. Thank you SDIEA!
